Dear Sir,

Greetings! We would like to invite you and the DENR Regional Office IV-B staff to the 4th International Conference on INREM (INREM 2023) on November 22-24, 2023.

We would also like to request your good office to disseminate the attached flyer through your social media pages, if possible. Sharing this information or flyer with other DENR agencies would be greatly appreciated. We look forward to your participation in this conference.

CALL FOR PAPERS FOR INREM 2023

The UPLB Interdisciplinary Studies Center for Integrated Natural Resources and Environment Management (UPLB-INREM) is organizing the 4th International Conference on INREM (INREM 2023) on November 22-24, 2023, to be held in Manila, Philippines, with the theme "Future-proofing Sustainable Ridge to Reef Transformations through INREM."

Scientists, researchers, educators, representatives of local government units and government organizations, extension workers, policy makers, members of the civil society and graduate students are invited to submit an abstract (300-350 words) before the deadline on 30 SEPTEMBER 2023 here or at bit.ly/INREM2023Abstracts

Abstracts must be submitted in Word format (.doc, .docx) with the filename: ABSTRACT: Paper presenter's last name and first name. The abstract must present briefly the objective(s), methodology, key findings and conclusion. Indicate 2-4 keywords.

Abstracts should conform to the conference theme and focus on any or a combination of the following areas of INREM operations: lakes and river basins, landscapes and seascapes, small islands, rural-urban linkages. Papers should be under the following Conference topics:

- ☐ Policy and Governance
- ☐ Socio-economic Analysis
- ☐ Biophysical Assessment
- ☐ Pollution and Environmental Degradation
- ☐ Waste Management
- ☐ Human Settlements
- ☐ Indigenous Knowledge System on Natural Resource Management
- ☐ Ecosystem-based Adaptation and Disaster Risk Reduction

Attached is the Conference Flyer.
