Dear All,

As per instruction, please be informed that the MGB Central Office received on June 29, 2023 a copy of the SC Resolution to issue Writ of Kalikasan against the respondents of the case. Relative thereto, the Office of the Solicitor General requested for a case conference this 3 o'clock in the afternoon via MS Teams.

Our personnel from the Legal Service Division will accordingly coordinate with your Office for the meeting link.

Attached is the advance copy of the Notice and the SC Resolution for information and reference. The signed copy will be forwarded as soon as it becomes available.

Thank you very much.
