All participants and observers must make sure that they are mentally and physically fit for the activity. The Double Observer Count method is a highly scientific endeavor, thus, the guidelines attached that forms an integral part of this Special Order must be strictly observed at all times during the activity. Likewise, minimum health protocols shall be observed at all times by the participants during the entire activity.

The transportation costs to and from San Jose and Calintaan and meals during the counting shall be provided by the DENR-TCP. Per diem and other travelling expenses are chargeable against their respective offices' funds, subject to existing accounting and auditing rules and regulations.

This order shall take effect on the dates specified herein exclusive of travel dates.

LORMELYN E. CLAUDIO, CESO IV
OIC, Regional Executive Director
