MEMORANDUM

FOR : The OIC, PENRO
THRU : The Chief, Technical Services Division
ATTENTION : The Chief, Conservation and Development Section
FROM : The Forester II
SUBJECT : **SUBMISSION OF SECOND QUARTER CY 2023
ACCOMPLISHMENT REPORT IN HANDLING OF MARINE
TURTLE IN THE PROVINCE OF MARINDUQUE**

Submitted are the enumerated activities that were undertaken during the quarter to wit;

1. That the monitoring of marine turtle's nesting sites and hatchery was sustained.
2. That on April 22, 2023, Masiga, Gasan nesting site released eighty eight (88) Green Sea turtle (*Chelonia mydas*). Accordingly, a group of teenagers accidentally found the marine turtle hatchlings while they were jogging on the beach near Masiga hatchery. The group gathered the said hatchlings and surrendered it to Kagawad Enerdo R. Olivar who in charge of the hatchery. Kagawad Olivar informed the Gasan Municipal Police Station (MPS) and other Barangay Officials about the matter to administer the release of 88 hatchlings. At around 6:45 AM, the hatchlings were released to the sea.
3. That on the morning of April 28, 2023, Masiga hatchery released Green Sea Turtle hatchlings in the nearby shoreline. Accordingly, there are a total of 102 eggs hatched over 135 eggs of turtle found.

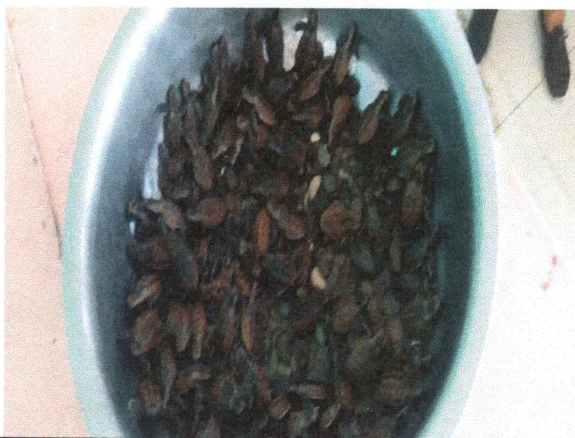

In view for the foregoing, please find the photograph and MT05 Marine Turtle Hatchery Data Form as ready references.

For information, record and further instructions.
