Good day!

This has reference to the conduct of the training of trainers for the implementation of the enhanced mobile price monitoring system (MPMS) on forest products tentatively scheduled on 26-28 July 2023 to be conducted in the National Capital Region (NCR).

The Forest Management Bureau will be organizing the said face-to-face training to capacitate the Price Monitoring Focal Persons on the use of the enhanced web and mobile application system components of the MPMS and prepare them for its full implementation for CY 2023.

We are currently preparing a DENR Special Order on this matter. In this regard, we would like to request your good offices to submit the name and details of your price monitoring focal person who will attend the aforementioned training. We would appreciate receiving your response through this link: <https://tinyurl.com/focal2023> on or before **July 5, 2023**.

Should there be inquiries, please do not hesitate to contact us at telephone number **(632) 8920-8650** and email at fppkmd.fes@fmb.denr.gov.ph.

Thank you and warm regards,
