Good day Ma'am/Sir,

As previously discussed from the last Consultation Meeting, one of the next steps is that each concerned agency shall provide their supplemental inputs for the further refinement of the draft policy on caves and wetlands.

In line with this, attached are the files of the draft DAOs *Guidelines on Establishment and Implementation of Inland Wetland Conservation and Management Program*, and *Guidelines on the Management of Caves*. The following are the Guide Questions that shall be the basis of providing inputs on this matter:

A.) For the Guidelines on Establishment and Implementation of Inland Wetland Conservation and Management Program,

1. Specify the existing and/or potential site level issues and concerns that were not addressed by the proposed policy.
2. What is the implication of the policy implementation in the budget and manpower? Do you have apprehensions on the proposed DAO that needs to be addressed immediately?
3. Which particular section/s needs further enhancement or clarification?
4. What are your recommendations to improve the overall policy?

B.) For the Guidelines on the Management of Caves,

1. Did the policy miss other guidelines that needs to be included?
2. Which particular section/s needs further enhancement or clarification?
3. What are your recommendations to improve the overall policy?

Furthermore, please be reminded that your outputs must be submitted on [cawed@bmb.gov.ph](mailto:cawed@bmb.gov.ph) and the deadline is on **June 16, 2023, Friday**. Thank you!
