SUBJECT : **WORLD ENVIRONMENT DAY CELEBRATION SIMULTANEOUS CLEAN-UP AND/OR TREE PLANTING ACTIVITIES**

DATE :

      With reference to the abovementioned subject, we would like to inform you that the DENR will be conducting a simultaneous clean-up or tree planting activity on June 5, 2023, at exactly 5:30 a.m. which will be livestreamed nationwide.

      As such, we would like your Office to choose whether to conduct a clean-up drive and/or tree planting activity in designated WQMA sites or planting sites of mining companies in your areas (Attached are the list of WQMA and Planting Areas of Mining Companies) with your stakeholders and partners in the Region. However, if the identified sites cannot be easily accessible in your Region you may opt to choose a waterbody or an area where your Region can conduct the clean-up or tree planting activity.

      Additionally, we would like to request your Office to do a video documentation of the said event which you MUST input in the google link provided at https://drive.google.com/drive/folders/1VNTeYK3XmVS4XUE2AE5HkTdzJ3bWxHXd?usp=share_link not later than 6:30 a.m. the same day for the video to be done by the DENR SCIS.

      Moreover, kindly fill out the matrix provided of your chosen activity and partners for the event.
