Dear Members of the TPAMB,

We write to inform you of the planned inspection of the construction of the new ranger station in Tubbataha. We initially informed the Board that it would be held from 17-20 June, however, the recent weather disturbances dictate that the trip be postponed yet again.

May we request a 'show of hands', so to speak, from those who could join the inspection trip on 22-25 (Thursday-Sunday) June 2023. We plan to leave after dinner on the 22nd, and we will be back here at around 5 am on the 25th. It is still possible to work the whole of Thursday and have the whole day of Sunday to rest.

The WWF-Philippines vessel that we plan to use, M/Y Navorca, can only accommodate 12 people. We hope that the Philippine Coast Guard can accommodate any excess passengers on its boat while it is on patrol in the Sulu Sea.

Your show of hands will help us determine if we need to request the PCG for passage to Tubbataha. May we hear from you no later than June 9, please?

Thank you.

Angelique Songco
Superintendent
