Good Day Ma'am and Sir!

The interagency convergence aims to institutionalize the implementation of the P/CCIP in the South Luzon region since 2017. Going on its 6th year, assessing the convergence mechanism is appropriate and very timely as we return to face-to-face after the two-year Covid 19 pandemic.

With this, we would like to request your good Office to kindly fill out the questionnaire thru this Google form/link: **(1 response per RLA)**

**RLAs:** <https://docs.google.com/forms/d/e/1FAIpQLSdZXzZSLGw-3VoilZ2wi41cfokKIPG9hbPQyevTmXyVTCrYng/viewform>

The result of this rapid assessment will serve as the basis for crafting strategies to strengthen interagency convergence and private-sector engagement in the P/CCIP implementation.

We are hoping to receive the responses on or before **June 22, 2023, Thursday at 3 pm.**

Thank you for your usual support.
