LORMELYN E. CLAUDIO, CESO IV

Regional Director for Technical Services

MIMAROPA Region (Region IVB)

Department of Environment and Natural Resources

Dear Director Lormelyn,

We are pleased to submit the revised Comprehensive Development and Management Plan and the Indicative Development Plan for the SAPA application of The Last Paradise in El Nido, Palawan. We have carefully made the necessary changes and improvements based on the initial comments that were shared with us during our recent visit to your office.

Unfortunately, we tried to submit these documents yesterday, June 15, in the afternoon. However, we found out that your office was closed and everyone is currently working from home.

To make sure that the required materials reach you properly, we will send the printed copies and an official letter next week. We will include all the necessary documents to assist with the review process.

If you have any questions or need more information about the revised Comprehensive Development and Management Plan or any related matters, please feel free to contact us.

Best regards,

JAYR ROMARATE, EnP
