

## MEMORANDUM

FOR : All Regional Executive Directors (REDs)

ATTN : All PENR and CENR Offices

FROM : The Director

SUBJECT : **REQUEST FOR COMMENTS ON THE PROPOSED REVISION ON THE COSTS AND FEES FOR LAND ADMINISTRATION AND MANAGEMENT SERVICES**

DATE :

This refers to our request for comments and suggestions on the proposed DENR Administrative Order entitled “Revised Costs and Fees for the Land Management Services”.

Land management services is a collective term to refer to services related to public land administration, records management, and public land surveys rendered by the LMB and DENR Regional and Field Offices. Currently, the rates of fees and charges of various land management services is based on the policy approved on exactly thirty (30) years ago. Considering the inflation and costs of supplies, computerization to enable online transactions, and other necessary operational expenses to delivery public service, the Land Management Bureau has proposed to increase its costs and fees for their services.

With this, we are requesting your good office for comments and suggestions on the proposed DENR Administrative Order entitled “Revised Costs and Fees for the Land Management Services”. You may send your comments and suggestions through this email: [lppdpolicy@gmail.com](mailto:lppdpolicy@gmail.com) or by answering this Google Form: <https://forms.gle/tpBMhrqBAakm7AoE7> for our consolidation. Attached is the copy of the proposed DAO, for your reference.

For your information and consideration.

**ATTY. EMELYNE V. TALABIS, CESO IV**
