Good day,

The Bureau of Soils and Water Management would like to request for your office to lend us an RTK-ready drone with a technical operator for the conduct of our site validation and topographic survey activities at the Mindoro Biodiversity Corridor. This is in line with the implementation of the BD Corridor GEF 6 Project. Specifics of the said request are indicated in the letter below.

Thank you for your usual support.

Respectfully yours,
BSWM SCMD GEF 6
