Dear **Director Claudio**:

Greetings!

The National Irrigation Administration strongly supports the Convergence Program of President Ferdinand R. Marcos, Jr. By combining our efforts, we can enhance the effectiveness and efficiency of our interventions to yield substantial benefits for the region, including improved water resource management, enhanced agricultural productivity, and sustainable utilization of natural resources.

In this regard, I would like to visit your office on Monday, July 3, 2023 at any time to discuss with you personally the possible projects on convergence. Together, we can make a significant and positive impact on the environmental sustainability and overall development of the MIMAROPA region.

Thank you so much and I look forward to a fruitful collaboration with your agency.

Very truly yours,

RONILIO M. CERVANTES
