LORMELYN E. CLAUDIO, CESO IV

Regional Executive Director
DENR-MIMAROPA Region
1515 DENR by the Bay Bldg.
Roxas Boulevard, Brgy. 668
Ermita, Manila

Dear RED Claudio:

In reference to your request, we are pleased to provide you with complimentary copies of the 2010, 2015, 2020 Land Cover Map (LCM) series and Topographic Maps in digital and printed format covering the Municipality of Coron, Province of Palawan. The 2010 LCM was generated from 2007 ALOS-AVNIR2 (10m resolution), 2015 LCM from 2015 Landsat 8 OLI (30m resolution), and 2020 LCM from 2019 Sentinel 2 (10m resolution) satellite imagery with ground validation. Furthermore, the topographic base maps of Coron have been validated for accuracy and precision through mobile mapping system methodology and ground truthing activities to ensure that the maps conform to the highest standards of quality and reliability.

Please be informed that NAMRIA is now implementing its Open Data Policy as part of the Philippines' commitment to Open Government Partnership and the agency's engagement with Open Data Philippines. With this development, various NAMRIAs geospatial data holdings in GIS format are now published and accessible online using Geoportal Philippines (www.geoportal.gov.ph).

Attached for your signature are the External Client Request (ECR) and Acknowledgement Receipt (AR) forms, which are standard requirements in the provision of NAMRIA data. Kindly return the signed ECR and AR to NAMRIA for record purposes. We trust that you will also cite NAMRIA as the source of data.

For further details, please contact Ms. Pinky T. De Chavez, Senior Remote Sensing Technologist, Geospatial Integration Division at Telefax No. 02-8884-2867 or email her through csu.rdab@namria.gov.ph.

Very truly yours,

Usec. PETER N. TIANGCO, PhD, CESO I
Administrator
