MEMORANDUM

FOR : THE REGIONAL EXECUTIVE DIRECTORS
All DENR Regional Offices

FROM : THE DIRECTOR
Climate Change Service

SUBJECT : APPLICATION OF THE GREEN ASSESSMENT
FRAMEWORK - RAPID APPRAISAL AND GROUND
TRUTHING SURVEY

DATE : 26 May 2023

This refers to the Green Assessment (GA), developed by USAID SIBOL, which aims to assess disaster-related damages to forest ecosystems and biodiversity. The framework consists of four stages. Stage 1 covers the conduct of rapid appraisals by identifying any changes in forest surface cover and ecosystem assets. Stage 2 employs both centralized streams of data gathering on defined damage hotspots in order to widen the coverage of data capture. Stage 3 analyzes and visualizes the information gathered from Stages 1 and 2 to enable assessment of the extent of damage and changes in land use. Finally, Stage 4 aims to, with the cooperation of key stakeholders, formulate management recommendations and plans for restoration and rehabilitation, and resilience planning.

In 2022, through USAID SIBOL, this Office facilitated the conduct of the capacity buildings/trainings with your respective representatives as attached in Annex A. For FY 2023, USAID SIBOL will continue to enhance our capacity to conduct the GA through capacity buildings/trainings. To support our upcoming activities, as listed below, this Office will be extending budgetary assistance to our regional counterparts as provided in Annex B.

Green Assessment Activities for FY 2023:

Training Cluster	Date	Venue
Aerial Ground Truth Survey - Visayas-Mindanao Cluster	July 31-August 4, 2023	TBD
Aerial Ground Truth Survey - Luzon Cluster	August 7-11, 2023	TBD
Rapid Biodiversity Assessment - Visayas-Mindanao Cluster	August 21-25, 2023	TBD

Rapid Biodiversity Assessment - Luzon Cluster	August 28-September 1, 2023	TBD
--	-----------------------------	-----

Once capacity buildings/trainings have concluded, we would like to request our regional representatives to pilot the GA, rapid appraisal and ground truth survey to their area/s of choice. Further guidance will be provided in the form of advisories. This Office will consolidate outputs and report on the activities undertaken.

Should you need further clarifications, please do not hesitate to contact our Office For. JM Reboton (jmreboton@denr.gov.ph) and Raquel Smith C. Ortega (rscortega@denr.gov.ph) of the Climate Change Mainstreaming and Integration Division, will assist you on the matter.

Thank you.
