MR. NEIL V. BERMUNDO
Caloocan City

Sir:

Environmental Greetings!

This has reference to your letter regarding request to plant trees at Pag-asa Island, Palawan. Said letter was referred to PENRO Palawan by the Office of the Director of Strategic Communications – DENR Central Office then to this office.

We would like to inform you that your proposed area, Pag-asa Island, is the largest Island in Kalayaan, Palawan. It is located 277 miles from Puerto Princesa City and 579 miles from Manila. Generally, the entire island is vegetated with beach forest species due to sandy soils of the area and very limited species observed.

There is a need to take check the suitability of the proposed species of trees since the island is suitable only for beach forest species.

Further, may we advise you to coordinate with the Local Government Unit of Kalayaan Group of Islands (LGU-KIG) on the proposed activity within their area of jurisdiction.

Thank you and best regards.

Very truly yours,

PEDRO A. VELASCO
OIC CENRO

Cc: R4B PENRO Palawan <penropalawan@denr.gov.ph>

A Pleasant and a Good morning!

Sir and Ma'am,

This is to acknowledge your response to my request which is currently denied. However, I would like to send you my last and final request to your good office the list of the Trees planted at the Pag Asa Island. This request will also be used for Spratly Island reference purposes only.

Please see the attached pictures below showing the deep-rooted trees.

Thank you.
all the best,

Neil Velasco Bermundo
