Subject : Non-acceptance of Survey Returns Submitted by Engr. Isabelo Munoz

Dear Director Talabis,

Greetings from the Geodetic Engineers of the Philippines – National Capital Region!

We are writing to your office to inform you that we have started an inquiry into one of our members and have found that he is practicing and submitting plans at DENR without a valid renewed PRC license. We have secured a certification from the Professional Regulations Commission (PRC) that his PRC ID has not been released pending his submission of the Certificate of Good Standing (CGS).

We have already informed the DENR-NCR, DENR-Calabarzon, DENR-Region 3 and also the Land Registration Authority (LRA) and have requested that plans bearing his name and signature not be accepted. The DENR-NCR and LRA have already informed us that they will no longer accept his plans.

We have attached the following for your reference:

1. PRC Certification
2. GEP-NCR Letter to DENR-NCR
3. GEP-NCR Letter to LRA
4. Reply Letter of DENR-NCR to GEP-NCR
5. Reply Letter of LRA to GEP-NCR

Further, we have also received several complaints relative to the surveys submitted by Engr. Munoz, alleging irregularities, misinterpretations and problems with his services. Engr. Munoz has also claimed that his signatures were forged in some of the plans submitted to DENR.

With this information that he does not have a valid PRC ID issued to him, we hope that your office could also stop relevant transactions bearing his name and signature. This will prevent further problems and will help clients to avail the services of a licensed Geodetic Engineer.

We hope that this merits your favorable action.

Sincerely Yours,

ENGR. CRISTY M. TAMBO
President

of the Submitted VSR by Engr. Isabelo Ubando Munoz

Dear Sir,

Thank you so much for giving us some of your precious time yesterday to discuss some issues and concerns with GEPI. We are happy and honored to have an open dialogue with you.

Reference to our meeting yesterday in your office, we are forwarding herewith a copy of our letter addressed to you and transmitted last January 24, 2023 to LRA.

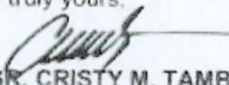

This refers to the letter received from the Licensure and Registration Division, Professional Regulation Commission (PRC) regarding the renewal status of the professional ID of our GEP-NCR member, named Engr. Isabelo Ubando Munoz. We have attached a copy of the letter for your reference.

As stated in the 2nd paragraph of the letter from PRC, the PRC ID of Engr. Munoz was not issued by the Commission. Therefore, any PRC ID shown or submitted by him at the moment is invalid. The release of his PRC ID is still on hold due to the non-submission of the required Certificate of Good Standing (CGS) from GEPI.

Consequently, may we request for the non-acceptance and non-approval of all the survey returns submitted by Engr. Munoz at your Office pending the complete renewal and issuance of his professional ID.

Hoping for your favorable response on our request. Thank you very much.

Please be informed, that Engr. Muñoz visited my office regarding the subject matter last February 20, 2023 at 8:00 in the morning relative to your previous letter dated January 24, 2023 which was referred to our office by Atty. Tristan E. De Guzman, Director, Administrative Service last January 26, 2023, for appropriate action. Engr. Muñoz reasoned with the undersigned that "Paano ko mahabayaran ang Association (GEPI) kung ipapatigil nila ang pag entry at pag approve ng aking mga plano" and we have already come to an agreement that this Authority shall accept and process the entry and approval of the survey plans submitted by Engr. Muñoz for a period of three (3) months starting February 20, 2023, hence, a Memorandum dated February 20, 2023 was prepared for reference of the Subdivision and Consolidation Division (SCD), this Authority.

With regards to your request on the non-acceptance/non-approval of the survey plans of Engr. Muñoz, this Office has no authority to bar without an Order issued by the Professional Regulation Commission (PRC), that's why Engr. Muñoz was given a three (3) month period to settle his monthly or yearly dues to the association in order for him to secure the required Certificate of Good Standing for the renewal of his PRC ID.

However, rest assured, in the event that he will not show any proof that he has settled his obligations on the payment due to the association, within the three (3) month period as agreed upon, we will no longer accept any survey returns from him.

Attached herewith is the Memorandum dated February 20, 2023, for your reference.
