**MEMORANDUM**

**FOR** : The Regional Executive Director  
**THRU** : The Assistant Regional Director for Technical Services  
**FROM** : The OIC, PENR Officer  
**SUBJECT** : **UPDATE REPORT ON THE ACTIONS TAKEN BY THIS OFFICE IN RELATION TO THE INSTRUCTION TO FILE APPROPRIATE LEGAL ACTIONS ON THE REPORTED CUTTING OF TREES WITHOUT PERMIT BY THE ALTAI PHILIPPINES MINING CORPORATION**

Respectfully submitting the update report on the re-inventory/inspection of trees within APMC area located at Sitio Bato, Brgy. España, San Fernando, Romblon.

That on March 10, 2023, the undersigned together with some technical personnel travelled to Sibuyan Island and conducted a meeting with Sibuyan Sub-Station personnel in order to strategize/plan the conduct of re-inventory/inspection of trees within the 20-hectare site, parcels 1, 2, and 3 of the APMC. The said meeting served as a venue to plan the appropriate strategy and specific method of the re-inventory/inspection. The specific roles/functions of each member of the re-inventory team was also assigned. The team also prepared the necessary materials, tools and equipment to be used.

Moreover, the team prepared letter and conducted courtesy call to the Municipal Mayor of San Fernando, Romblon regarding the conduct of the activity as well as coordinated with APMC representative regarding the schedule of the re-inventory/inspection on March 11, 2023.

For information and reference.
