

March 12, 2023

MEMORANDUM

FOR : The Regional Executive Director
THRU : The Assistant Regional Director for Technical Services
FROM : The OIC, PENR Officer
SUBJECT : **UPDATE REPORT ON THE ACTIONS TAKEN BY THIS OFFICE IN RELATION TO THE RE-INVENTORY/ INSPECTION ON THE REPORTED CUTTING OF TREES WITHOUT PERMIT BY THE ALTAI PHILIPPINES MINING CORPORATION (APMC)**

Respectfully submitting the update report on the re-inventory/inspection of trees within APMC area located at Sitio Bato, Brgy. España, San Fernando, Romblon.

As of March 12, 2023, the team identified and recorded fourteen (14) missing trees equivalent to Seven Hundred Eighty-Seven and 48/100 (787.48) bd.ft. through relocation of tree coordinates based on the previous inventory/baseline data.

Moreover, the team observed and recorded uprooted trees and timber pieces dumped and filled with soil beside the access road/haulage area within a portion of the 20-hectare site of the APMC.

For the next days, the team will continue the re-inventory/inspection of trees within the 20-hectare site as well as Parcels 1, 2, 3 of the APMC.

This Office would like to request for logistic support for the retrieval of uprooted trees and timber pieces to be used as evidence for filing of appropriate legal action.

For information and reference.

ARNOLDO A. BLAZA, JR.

No.	Tree No. in previous inventory	Local Name	Common Name	Scientific Name	Volume in bd.ft	Coordinates
