SUBJECT : **CONDUCT OF THE 1st DENR-PCMC BLOODLETTING
ACTIVITY ON 24 MARCH 2023**

To strengthen the department's drive to achieve optimum wellness while promoting volunteerism and community participation among DENR employees, the DENR through the Strategic Communication and Initiatives Service (SCIS), DENR Association of Career Executives (ACE) and in partnership with the Philippine Children's Medical Center (PCMC), will jointly spearhead the 1st DENR-PCMC Bloodletting activity for FY 2023 on Friday, 24 March 2023, from 9:00 AM - 4:00 PM, at the DENR Social Hall, 2nd Floor, DENR Main Building.

This year's bloodletting activity is in line with the celebration of the Fire Prevention Month which highlights the value of blood in treating burn patients and fire related injuries.

In this regard, we would like to request for the participation of your personnel who are willing to donate blood for the activity. You may submit the list of volunteer blood donors to the Strategic Alliance and Environmental Partnership Division - SCIS, attention to Ms. Donita Rose Cleofas on or before 17 March 2023, through the email address: donitarose.cleofas@gmail.com.

All successful donors shall be entitled to a one day offsetting privilege. Those who succeeded or were rejected from the previous bloodletting activities are encouraged to participate again while new donors are most welcome.

Everyone is enjoined to participate in this noble undertaking.
