Good day!

On behalf of EMB CO, we would like to invite you to attend the Project Briefing and Technical Scoping of the **Proposed Long Point Nickel Project of Berong Nickel Corporation** to be located at Sitio Long Point, Brgy. Apurawan, Aborlan, Palawan. The meeting will be conducted on **22 March 2023 (Wednesday, 10:00 am)** via **MS Teams**. (Kindly inform Ms. Lei Gargar thru leonil_gargar@emb.gov.ph for the participants from your end and submit to her the participants' email addresses so that the meeting link will be sent out to them.)

The meeting aims to discuss and agree on the terms of reference of the Environmental Impact Assessment Study (EIA) Study that will be required for the project. The results of the project's EIA study serve as the basis of this Office on the issuance of its Environmental Compliance Certificate. We would highly appreciate it if you could provide us with your comments on or before **21 March 2023** (see attached EIA Screening Form).

For access to the relevant documents, such as **Public Scoping Report and Project Description, etc.**, please click on the link below:
