Good Day Ma'am & Sir,

I am Margaret May Llavor, a native of Sibuyan Island Romblon. We would like to report on your good office about the illegal activities of nickel Extraction in Sibuyan Island. We would like to inform also that the ALTAI MINING company never conducted a local consultation from us native of sibuyan. They already started thier activities without showing any legal documents and permits. Binenta po nila sa China ang mga na hakot sa nickel ore without the consent of native sibuyanons and without legal documents. Napaka rami po nilang pinutol na mga puno. I am a Sibuyanon an we can testify on this matter. Maraming Salamat po.
