Dear Sir/Ma'am,

Good afternoon po!

The Municipality of San Agustin has requested the CSC RO IV to establish a CSC FO Romblon Sub-Office in San Agustin, Romblon and the LGU will donate a 600 square meter municipal lot as our counterpart. Based on the CSC IV evaluation, we need to indicate the technical description of the proposed site thus, we requested for a land survey to PENRO - Romblon thru a request letter received on January 27, 2023.

Relative to this, we would like to know the status of our request since we were told that an authority to survey will be approved and issued by the Regional Office.

We are hoping for a positive and immediate response to this query.

Attached is our request letter with supporting documents.

Thank you very much!
