Dear Ma'am/Sir,

Good day.

We would like to inform you that the Forest Management Bureau will be conducting an Online Orientation cum Stakeholders Consultation on Costings of the Phases of Plantation Development and Financial Requirements in support of the Financial/Credit Assistance Programs in Forestry Investment on **31 March 2023 via Zoom application**. This is in connection with the requested data from your Offices on the eligible tenure holders' profile and asset size as well as costs of plantation development which was agreed during the workshop on Regional Orientation and Consultation Workshop on the Forestry Investment Related Policies last 26-28 October 2022.

Relative thereto, we would like to request your assistance in coordinating with the tenure holders (IFMA and SIFMA) to attend in the said activity for us to gather and finalize the necessary information/data. Rest assured that all of the collected data will only be used as a basis on the current and potential financial/credit assistance partnerships of the FMB such as with the Development Bank of the Philippines.

We will be sending a memorandum officially requesting your assistance for the subject activity once signed by our Director together with invitation letters to the determined tenure holders (listed in the activity design).

Attached are the FMB Special Order and Activity Design for your perusal.

For queries or concerns, you may reply to this email address.

Thank you.

Best regards,

--
