Sir,

The Aborlan Central School is the largest Elementary School in the municipality of Aborlan which caters almost 600 learners this school year and hopes to increase in the coming years.

As a school, it is our desire to have our school site ownership which is very vital in granting school buildings and other physical improvement for the benefit of our learners, and the school as a whole.

In this regard we humbly request for school site inspection in relation to the issuance of survey authority from your office.

We will be very grateful for the help you will accord us.

Very truly yours,

**MERRIAM J. FAVILA**  
Principal III
