Hello Po sa lahat ,

This is to remind everybody that I been trying hard reaching out to address my concern , a simple request the status of the SUNWEST construction notice of Violations and suspension letter .

Dahil po sa Hindi pa ninyo pag bigay ng notice of violation ang Sunwest po ay patuloy na sinisira ang aming magandang beachfront. I consider this justice delay justice denied .

With all due respect please serve the notice of violation and I am asking a copy of this notice, this is a simple request , simple transactions that supposed to be 3 days , but it's already beyond 20 days , is this the definition of EODB or RA 11032? All Government agencies national or loca shall comply with prescribed processing time.

I would like to request ARTA to investigate and visit the agencies mentioned above. The above agencies failed to respond in my simple request .

Ang beach front po namin inaararo ng backhoe araw at gabi at nawawala ang quality ng work nila pabilis ng pabilis .

Magkaroon po kayo ng concern sa aming kalikasan na sirang sira dahil po sa inyong walang action. Masakif po ang kalooban namin sa pag delay ng inyong action.

Please invite me for any meeting between all the agencies concerning the situation for proper representation and consultation dahil kung kayo kayo Lang magiging bias , kaming mga taga calatrava ang nakaka Alam what is the best for us.

Please give me 15min and I will justify our sides .

Salamat po

Mary Montesa
