Dear Honorable Officials from the Department of Environment and Natural Resources-MIMAROPA:

Greetings!

Please see the attached Lawyers' Statement calling for decisive actions, accountability, and transparency on the oil spill tragedy signed by over 90 lawyers, mainly from impacted communities.

We urge the government to take swift and decisive action to ensure that the right to a clean, healthy, and balanced ecology is upheld and protected for the benefit of present and future generations of Filipinos.

You may also read the statement here: <https://www.protectvip.org/post/call-for-decisive-actions-accountability-and-transparency-on-the-oil-spill-tragedy>

Thank you.
