Hello and good day.

Penro Romblon , how come you did not follow up the notice of violation with DPWH DE .

As you mentioned in your letter it is NOT your jurisdictions to issue the notice of violations BUT it is your responsibility to make it sure DPWH implement the notice by following up with the DPWH and make sure the SUNWEST respect and follow the order.

Diba po your mission is to take care our kalikasan and siguraduhin na ang batas ay dapat sundin.
Did you follow up po with DPWH and did DPWH reported to your agency that they issue the notice of violation.

Unfortunately your Department did not follow up with the DPWH-DE dahil po walang nangyari and it is in your hand hindi po ninyo sinigurado na sumusunod sa batas ang Sunwest , na continue parin ang pag sira ng aming beachfront .

So, what is the status, when did DPWH serve the notice of violation .

In my own opinion both agency work together hindi po pasahan . If your argument po it's not your responsibility to issue notice of violation at walang follow up , ano nalang po ang mangyayari sa beach front namin kung kayo mismo mag hihintay sa DPWH na walang follow up and to monitor the activities of Sunwest .

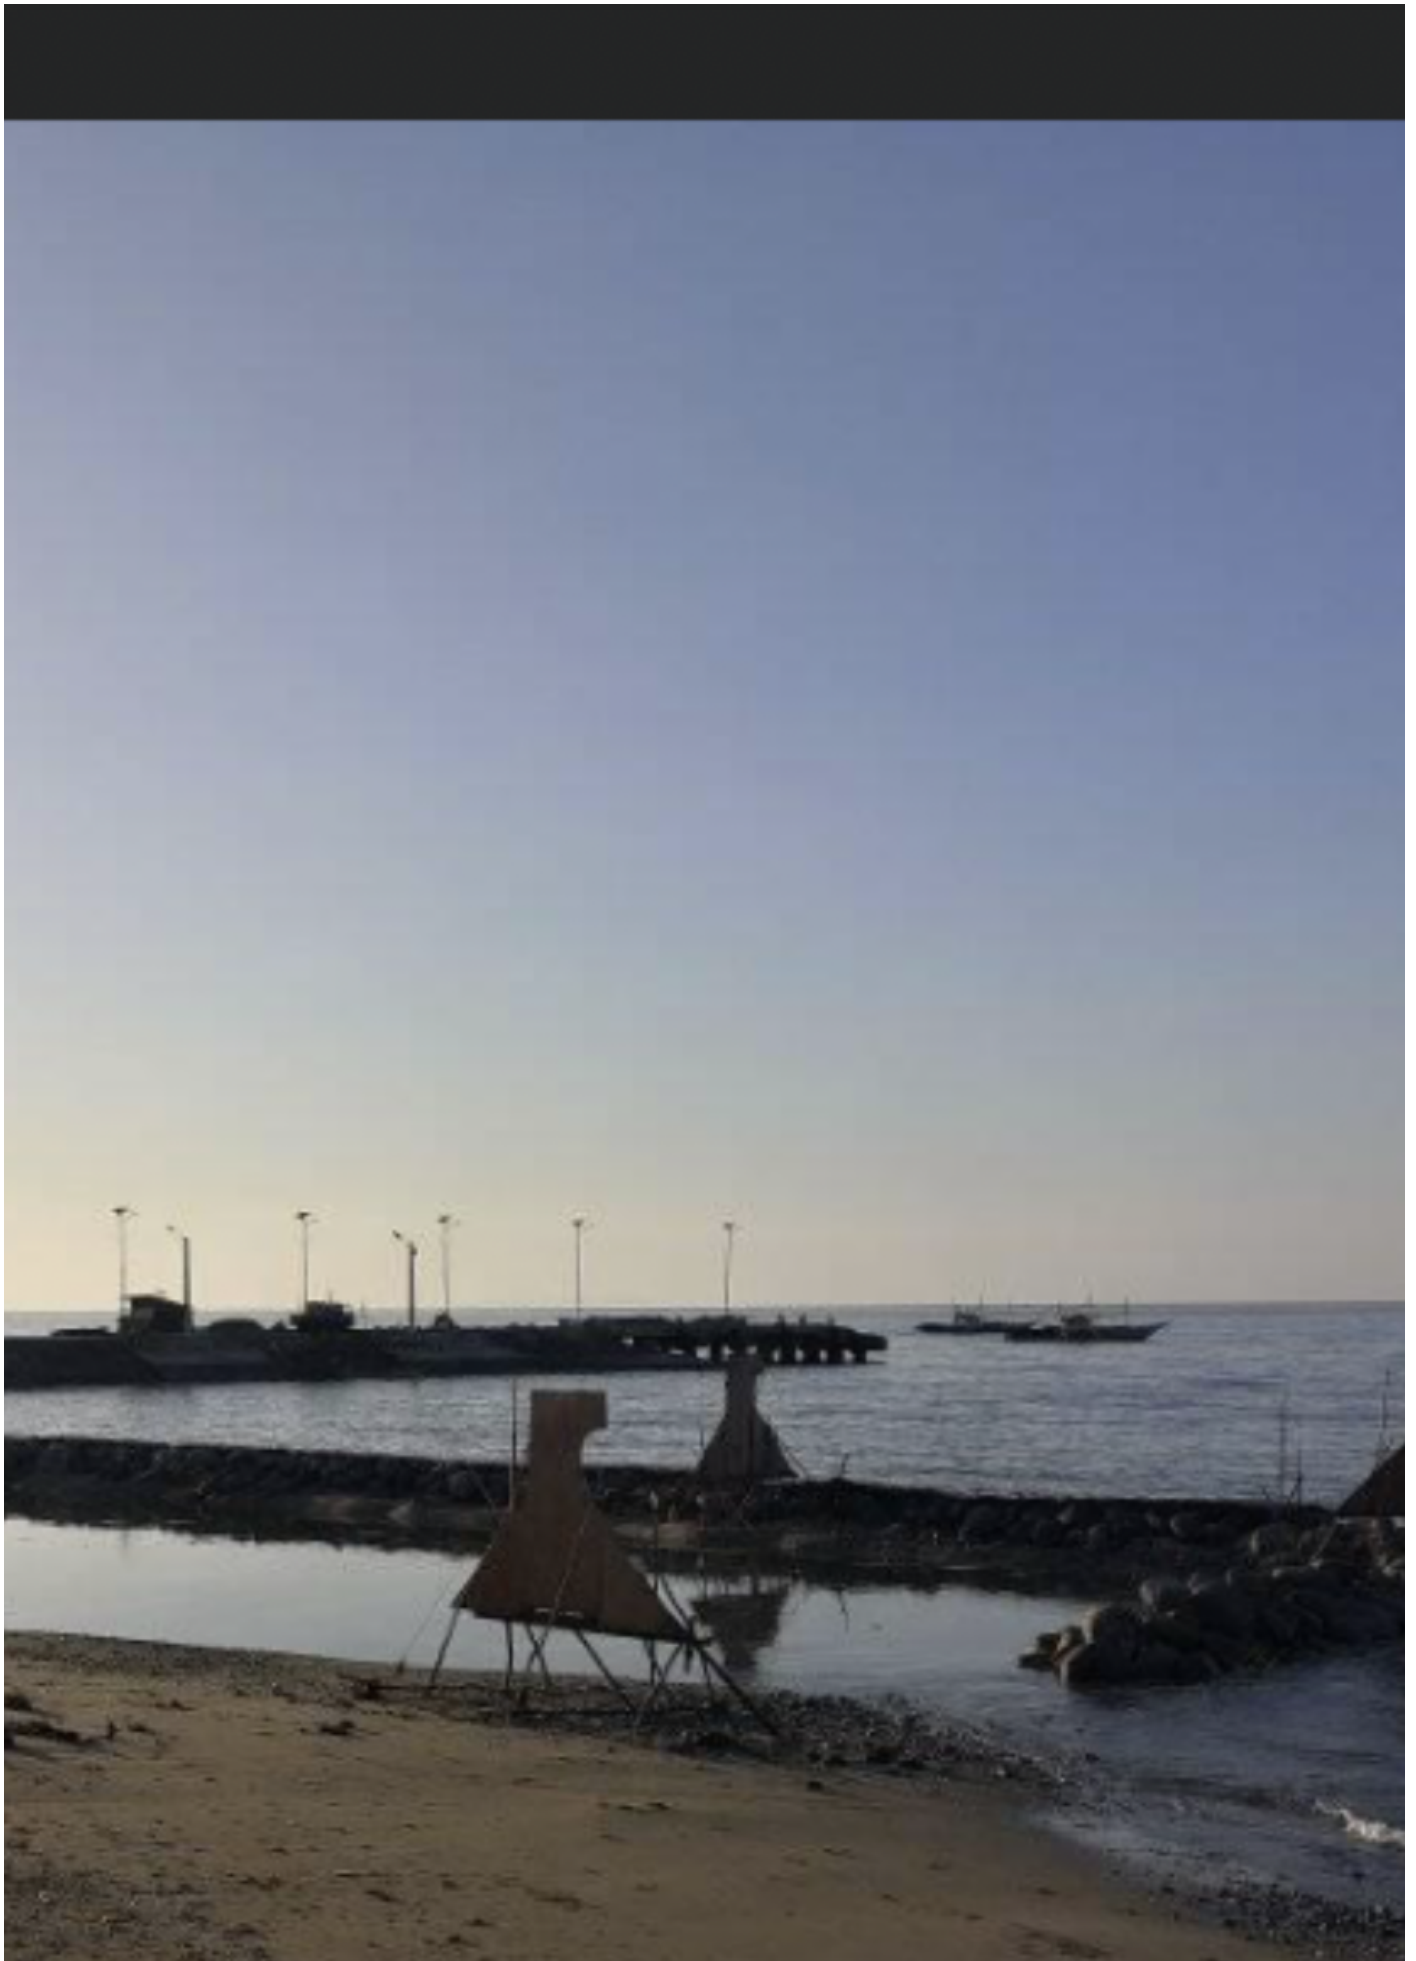

My question po when did DPWH DE served the notice . Did your agency received any report from DPWH .

Salamat po
