2	Approval of the Agenda Reading and approval of the minutes of the last meeting	<p>Mr. Angeles presented to the body the provisional agenda for the meeting. With no other comments for the Provisional Agenda, Mr. Angeles requested the body for its approval. Mr. Dranreb Delos Reyes, a PYDO from Marinduque, moved that the agenda be approved, and Ms. Odessa Del Mundo, a PYDO from Palawan, agreed with him.</p> <p>Mr. Angeles noted that the minutes of the 1st and 2nd meetings were made available last March 13, 2023, for comments and review. Mr. Angeles suggested to dispense the reading of the previous minutes of the meeting and giving the members one week to review, correct, and submit them. If no objections were made, the minutes would be deemed approve. The members agreed with Mr. Angeles' suggestion.</p>
3	Local Budget Circular no. 148 s. 2022	<p>Mr. Jerdy Mercene of DBM presented the salient feature of Local Budget Circular 148 of 2022. He discussed the legal bases, funding source, limitation and requirements for SK officials to acquire the honorarium.</p> <p>The following questions were raised after the presentation:</p> <ul style="list-style-type: none"> • Councilor Fabic of Occidental Mindoro asked that they have submitted their budget last November 2022 while the LBC was released on December 2022, they haven't included the honorarium in their ABYIP that was submitted on November and planned to make a supplemental ABYIP. Councilor Fabic asked that if in case their supplemental ABYIP was approved on April 2023, will the SK Officials can still receive their honorarium for January 2023 or the honorarium will start on the time the supplemental ABYIP was approved?

		<p>Mr. Mercene answered that since the law was passed last May 2022, the SKs can receive their honorarium for once the supplemental ABYIP was approved.</p> <ul style="list-style-type: none"> LYDO Mr. Oliver Almeda of Oriental Mindoro asked about the counterpart of LGUs for additional honorarium. He asked if will the additional honorarium from LGUs will affect the 25% cap ceiling of SK funds. <p>Mr. Mercene answered that the additional honorarium will not affect the 25% cap ceiling since the additional honoraria comes from the MOOE and not in the Personal Service provided that the additional honorarium will not exceed the Salary Grade (SG) 9 step 1 or not higher than the compensation received by the SK Chair as this is the maximum honorarium that the SK Officials can attain.</p> <ul style="list-style-type: none"> LYDO Ralph Richard Asuncion of Puerto Princesa City asked some of the SK Officials in their City already received honoraria what if their honoraria are more than the limit of SG 9 step 1? <p>Mr. Mercene answered that they must return the excess honoraria as they will be audited by COA.</p>
