UNITED NATIONS DECADE ON  
**ECOSYSTEM  
RESTORATION**  
2021-2030

In cases when the above-mentioned personnel cannot participate, and in consideration of your expertise, proximity and availability of relevant information and data about the area subject for ECC application, we request your office to represent BMB in the EIA activities such as public/technical scoping, hearings and EIA Review Committee meetings. Your office can very well represent the specific issues and concerns in respective areas to ensure integrity of ecosystems and biological resources within your area of jurisdiction.

We have requested the Environmental Management Bureau to also send the invitations on EIA meetings to concerned Regional Office.

You may access additional reference materials related to EIA through this link:
