Dear **RED Claudio**,*Warmest greetings!*

We are writing to request for a meeting with the Protected Area Management Board (PAMB) to present our project proposal for the utilization of Naujan Lake and other Inland bodies of water for inland aquaculture as part of the livelihood intervention for affected families of oil spill.

We hope to gain PAMBs support for our project and collaborate with them to ensure the area's sustainable development.

For further queries and clarifications, you may contact us through this number *09171072189* or email at ord.mimaropa@bfar.da.gov.ph
