*Greetings!*

The Department of Science and Technology-MIMAROPA (DOST-MIMAROPA) will hold the 2023 MIMAROPA **Regional Science and Technology Week (RSTW)** celebration entitled **"Changing Lives through Science"** on **May 16-18, 2023 at the Marinduque State College Gymnasium, Boac, Marinduque**. With the theme *"Agham at Teknolohiya: Kabalikat sa Maunlad at Matatag na Kinabukasan"* this celebration aims to bring S&T initiatives and outputs closer to people for better appreciation and utilization as well as to enhance the participation of our industry partners and other stakeholders.

The RSTW is the regional celebration of the National Science and Technology Week (NSTW) usually held every November in Metro Manila that showcases DOST's different programs, services, initiatives, and technological breakthroughs that are fundamental in achieving the sustainable development in the country.

Dubbed **"Changing Lives through Science"**, the 2023 RSTW will be the return of face-to-face celebration in MIMAROPA since the onset of the pandemic. A number of S&T activities will be conducted for attendees including exhibits, technology forums, contests, and project visits, among others.

In this regard, may we invite **you or your representative to the 2023 MIMAROPA RSTW Opening Ceremonies** which will be held on May 16, 2023 (9:00AM) at the Marinduque State College Gymnasium in Boac, Marinduque.
