MEMORANDUM

FOR : The Regional Executive Director
DENR Region IV-B (MIMAROPA)
Roxas Blvd., Ermita, Manila

FROM : The OIC, Forest Resources Management Division
In-Charge, Office of the Assistant Director

SUBJECT : **ANNUAL ACCOMPLISHMENT REPORT FOR CY 2022 ON THE
EVALUATION/ ASSESSMENT OF CERTIFICATE OF
STEWARDSHIP CONTRACTS (CSCs) WITHIN MIMAROPA
REGION**

DATE : **27 JAN 2023**

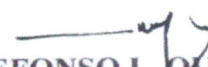

This pertains to the Consolidated Annual Accomplishment Report for CY 2022 on the Evaluation/ Assessment of CSCs within MIMAROPA Region endorsed to this Office on December 29, 2022. We have reviewed the subject report and the following are our major observations, comments, and recommendations, to wit:

Observations/ Comments	Recommendations
1. The endorsement Memo indicated only the total accomplished CSC per PENRO but the annual target per PENRO was not indicated along with the accomplishment presented in the table. The total coverage area in terms of hectares was just mentioned but not indicated in the table per PENRO.	• In the next reporting period, we strongly suggest and enjoin the Region to enhance the content of the endorsement Memorandum of the subject report by presenting the complete but brief summary of the CSC performance resulting from the conducted assessment and evaluation. Include proposed actions/ steps initiated or planned by each PENRO or Region. • Information indicated in the endorsement Memo should not just be limited to the total area covered and total number of CSC assessed. The higher management want to see the total picture of the report/ document at "A Glance" to enable them to make immediate instructions/ actions.
2. The prescribed report format was not religiously and strictly complied despite several reiterations in the previous Memorandum to the Region. a) No summary total for the Region and per PENRO except for PENRO Romblon and PENRO Marinduque where both offices are implementing	• We would like to reiterate and enjoin your strict and religious compliance with the prescribed reporting format in the submission of summary report per Memorandum of the then Director Lourdes C. Wagan dated 17 July 2020. • Please provide complete information required in the reporting format as these

Observations/ Comments	Recommendations
b) In addition, there is incomplete data entry under the numerical rating and area of CSC. Meanwhile CENRO Quezon of PENRO Palawan, and CENRO Roxas of PENRO Oriental Mindoro indicated "No Available Data" under the date of issuance column. This is unexpected as they should have file copy of the CSC document as they are the issuer of said document. c) No summary provided as to the total number of CSCs for renewal/ transfer, for cancellation or other action (re-evaluation) hence, we prepared a summary matrix (Annex I). Per the summary matrix, a total of 785 CSCs for renewal/ transfer and 434 CSCs for cancellation out of the 1,391 total CSCs assessed. The remaining 172 CSCs are for re-evaluation.	• We suggest to provide the total summary of the assessment results and data analysis on the CSCs performance for cancellation, renewal/ transfer and other recommendation to facilitate review and to enable them to make immediate instructions/ actions. • Kindly facilitate renewal and transfer of the 785 CSCs and cancellation of 434 CSCs, and please be guided by the following guidelines: ➤ DENR Memorandum Circular No. 21 series of 1993 - Revised Procedures on the Conduct of Performance Evaluation of Stewardship Agreement, Cancellation and Compensation of the Holders Thereof; ➤ DENR Memorandum Circular No. 23 series of 1993 - Revised Procedures on the Transfer of Certificate of Stewardship (CS) to the Next-of-Kin of the Holders Thereof; ➤ Memorandum from the Undersecretary for Field Operations dated 28 November 2013 - Renewal and Cancellation of Certificate of Stewardship Contracts (CSCs); and ➤ FMB Technical Bulletin No. 11 - Supplemental Guide on Evaluation of Certificate of Stewardship Contracts (CSCs).
3. CSC areas that fall within classified A&D for CSCs issued from 1984 to 1997. It was good that long time issued CSCs within A&D been due for cancellation.	• If the CSCs are indeed found within A&D Lands, the Field Offices concerned shall cause the cancellation immediately and assist the Holders for their application for Land Titles. Otherwise, if CSCs are within forestland and issued with CLOA, conduct further evaluation if they are eligible for renewal, and discuss the concern and resolve this with Department of Agrarian Reform (DAR).

In view of the foregoing, we request the Region to take note of the observations, comments and recommendations, for considerations in the submission of succeeding reports, for proper and efficient review and evaluation. Likewise, may we request the Region to update the information on the Enhanced Forestry Information System (eFIS) based on the results of the CSC Performance Evaluation.

FOR INFORMATION AND CONSIDERATION, PLEASE.
