06 March 2023

LORMELYN E. CLAUDIO, CESO IV

Office of the Regional Executive Director

DENR R-IVB MIMAROPA Region

[1515 Roxas Blvd., Ermita, Manila](#)ATTN: **ALL PENRO AND CENRO DIRECTORS****Dear Director Claudio:**

Madayaw!

You may have received an invitation letter last **08 February 2023** regarding our call for abstracts of unpublished papers on gender studies in Agriculture, Aquatic, and Natural Resources (AANR) that were conducted from 2000 to 2022. From the initial deadline of 15 February 2023, ***our call for abstracts has been extended to 15 March 2023***. The deadline has been moved because we want to consider the inputs and contributions from more researchers as much as possible because we value their inputs in our project. We also want to give more time to other researchers who wish to submit their abstracts and papers but are time-constrained given the busy schedules of various offices.

The researchers' submitted abstracts and papers and their answers to the google form will significantly contribute to the preparation of the gender and development (GAD) research and development (R&D) agenda and framework of the Department of Science and Technology - Philippine Council of Agriculture, Aquatic, and Natural Resources Research and Development (DOST-PCAARRD). This agenda and framework will also contribute to the United Nations' Sustainable Development Goal 5 (UN SDG 5) which is on gender equality.

The book of abstracts for this project, ***"Annotated Compendium of Gender and Development (GAD) in Agriculture, Aquatic, and Natural Resources (AANR): Towards the Developing the Gender and Development Research and Development (R&D) Agenda and Framework,"*** will be forwarded to the DOST-PCAARRD and its partners. Acknowledgement will be given to all participating universities and researchers.

We invite your researchers once again to participate in this project by filling out this form (<http://bit.ly/GAD-AANR>) and using this form to submit their abstracts and papers.

If you have questions or concerns regarding our invitation, you may contact us through either of the following: (1) email address: gad-aanr.upmin@up.edu.ph or (2) phone number: 0935-0743-338. Additional information may be accessed here: bit.ly/gad-aanr-info

Thank you so much for your support to the development of DOST-PCAARRD's GAD research agenda and framework and the UN SDG 5.

Sincerely,

Assoc. Prof. Glory Dee A. Romo, PhD

Project Leader, PCAARRD GAD AANR Project

Faculty Member, School of Management

University of the Philippines Mindanao

**CALL FOR ABSTRACTS
EXTENDED**

Submit on or before **15 MARCH 2023**

Visit bit.ly/GAD-AANR or scan to access form and submit abstracts.

CALL FOR ABSTRACTS

GUIDELINES

Studies:

In Agriculture, Aquatic, and Natural Resources (AANR) with a gender analysis (e.g. sex-disaggregated data, women empowerment, involvement in the decision-making process); include theses of graduates and students; are unpublished works; were completed from 2000 to 2022.

Abstract should:

Include introduction, methods, results and discussion, conclusion, and implications. Include maximum of 6 keywords. Limit the number of words to 250; spell out all abbreviations the first time these are mentioned; and exclude citations.

A Google Survey Form needs to be answered prior to submission.

Visit bit.ly/GAD-AANR or scan to access form and submit abstracts.
