**RED LORMELYN E. CLAUDIO**  
DENR MIMAROPA

Dear RED Claudio:

Greetings!

I am pleased to invite you to a night of thanksgiving and solidarity as we celebrate the 25<sup>th</sup> Founding Anniversary of the City of Calapan. This is an opportune time to share with you our achievements as a city in 25 years. The “Gabi ng MIMAROPA” is the convergence of stakeholders in the region where we can showcase future developments in the city as the regional center of MIMAROPA.

Being a member of the Regional Development Council and Chairperson of Development Administration and Regional Government Center Management Committees, I do believe that through this activity, we can strengthen our partnership and foster much better coordination with your office as well as the other agencies and local government units here in the region.

I am looking forward for your favorable response to our invitation. Attached are copies of the approved activity design and invitation/program for your reference.

Please confirm your attendance by email not later than 13 March 2023.

Thank you.

**MARILOU F. MORILLO**Chairperson, Development Administration Committee  
Chairperson, Regional Government Center Management Committee  
Mayor, Calapan City
