**Hon. Maria Antonia Yulo-Loyzaga**  
**Secretary**  
**Department of Environment and Natural Resources**

Good day!

*Stand for Truth* is a digital show hosted by young journalists. We air weekly at GMA News and Public Affairs' social media platforms at 9:00pm.

We are doing a story on Brooke's Point Palawan (Brgy. Maasin, mining situation). And with this, we would like to ask if we could have an interview with you or a representative from the department handling the said topic for the segment. Here are the following questions/talk points:

- Profile of Brooke's Point, Palawan—and what were the actions of DENR in maintaining their protected lands?
- Updates on the rally and dialogues made in relation to the mining situation in Brgy. Maasin (Brooke's Point, Palawan)

For any questions or clarifications, kindly get in touch with me at the number attached in this letter.

Thank you!

Sincerely yours,
