Dear **MBC**,

Greetings from the BD Corridor Project!

This refers to our upcoming **Mid-Year Assessment and Planning Workshop** to be held in **Tagaytay City** on **May 21 - 27** (inclusive of travel time). Join us as we evaluate BD Corridor Project's performance for the first semester of 2023; revisit the PRF and firm up the Performance Monitoring Plan; identify operational issues and measures to address these; discuss and provide inputs in the preparation of re-calibrated AWP; and identify actions and responsible units to catch up on the remaining commitments for CY 2023.

Please see the signed activity design, as well as the signed invitation/memo from our Director, for more information on the Workshop.

Kindly confirm your attendance by this week. Maraming salamat!
