Dear Director Claudio,

We would like to request the assistance of your office in creating a briefer for the interview with GMA News for the program Stand For Truth regarding mining at Brooke's Point, Palawan.

Attached for your reference is the formal request letter.

The interview briefer will be subject for approval of the concerned officials at DENR Central Office and will be used as a guide for the DENR Official who will be assigned to the interview.

We are hoping to receive said briefer by tomorrow afternoon.

Hoping for your kindest consideration, Ma'am.

Thank you very much!
