Ma'am/Sir:

Good day!

This has reference to the proposed training on the Prevention, Suppression, and Management of Forest Pests and Diseases tentatively scheduled on 24-26 May 2023 in Metro Manila. The activity aims to strengthen the capability of our field officers in identifying and managing forest pests and diseases.

Please be informed that due to unforeseen circumstances, **the activity will be postponed to a later date, tentatively on 7-9 June 2023. We would appreciate receiving feedback on your availability for the proposed new schedule on or before 19 May 2023.**

Thank you and we apologize for the inconvenience that may have been caused by this postponement.
