Dear, **Usec. Tiangco**;

Ecological Greetings!

BaiAni Foundation, a non-profit organization based in Intellectual Property Technology Business Management Building, Davao Oriental State University, Mati City, is interested in obtaining all barangay boundaries in the Philippines.

As an organization that promotes forest conservation and provides support to various communities, we are in need of reliable barangay-level data. This is for the research and development of our forestry. We will be needing this in a shapefile format.

In order to proceed with this, we would like to ask for your confirmation and assistance regarding our request. We would greatly appreciate your help.

For confirmation and queries, kindly contact our Forester, Juan Enrique Macaraig, via his email at juanenrique.macaraig@baiani.org or contact number 09386189098.

Thank you for your time and consideration. We look forward to hearing from you soon.

Sincerely,

Jojo Joson
General Manager
