CENRO San Jose, Occidental Mindoro Representative  
LGU of San Jose, Occidental Mindoro Representative

**FROM : CHIEF, CLEARANCE AND PERMITTING DIVISION**  
**SUBJECT : INVITATION FOR THE TECHNICAL REVIEW OF THE BUSUANGA RIVER DREDGING PROJECT**

The Royal Crown- Groundport and Partners Corporation has submitted their Environmental Impact Statement (EIS) for their above-mentioned proposed project. In line with this and in accordance with the DENR Memorandum Order 2023-01, the EMB MIMAROPA would like to invite you to attend the **Technical Review on 26 May 2023, (Friday), 10:00 AM** at the Office of the Regional Director, 6th-floor DENR by the Bay Bldg., Roxas Blvd., Ermita, Manila. If physical attendance to the Technical Review is not feasible, the meeting may be accessed virtually via Microsoft Teams through the link: <https://tinyurl.com/5n984cta>.

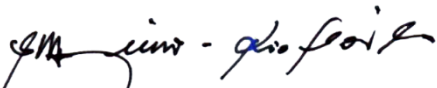

The activity aims to ensure that the data, impact assessment and management measures presented in the EIA Report are those that will be critical in the integration of environmental and social concerns of the proponent’s Feasibility Study and downstream activities of the project. Additionally, the Technical Review aims to advise and inform the decision-making of other units, bureaus, offices, and regulatory government agencies on the critical environmental and social concerns of a development proposal and lastly, to provide guidance for validation of projected environmentally and socially significant impacts.

Attached herewith are the project’s EIS and its annexes, the approved Technical Scoping Checklist, for your review and reference. Kindly input your comments in the attached Pro-forma for the Environmental Impact Assessment Review Committee (EIARC) Additional Information Request and send it the email address: [eia.embr4b@gmail.com](mailto:eia.embr4b@gmail.com) on or before the scheduled Technical Review.

For further inquiries and clarifications, kindly contact the Clearance and Permitting Division (CPD) at this email address: [eia.embr4b@gmail.com](mailto:eia.embr4b@gmail.com), or through the telephone number: (02) 8633 2587 and look for the project case handlers Bianca Christianne I. Roldan and John Junico B. Udal.

Thank you for your cooperation and continued support of the EIA System.
