Good day!

The Center for Environmental Law and Policy Advocacy, Inc. (CELPA, Inc.) was contracted by the DENR Forest Management Bureau (FMB) to assess the Philippine Master Plan for Climate Resilient Forestry Development (PMPCRFD).

In line with this, our team will conduct a virtual Focus Group Discussion (FGD) per Region. The FGD aims to gather data and information relevant to the assessment of the performance and status of the implementation of the PMPCRFD to complement the review of relevant documents, policies, research, and information and analyze using the relevance, effectiveness, efficiency, impact, and sustainability criteria.

Here is the meeting link for our FGD on May 24, 2023, from 9 am to 12 nn.
