**TO: HIS EXCELLENCY FERDINAND R. MARCOS, JR.**

President of the Republic of the Philippines

Malacañang, Manila

**THRU: PRESIDENTIAL COMPLAINT CENTER**

Dear President Ferdinand,

Aking nirereklamo ang pamunuan ng DENR - Mines and Geoscience Bureau (MGB) MIMAROPA Region sa kanilang **negligence of their duty** to implement the Batasang Pambansa Bilang 265 as the implementing agency. As mandated of the said Batasang Pambansa, the DENR - Mines and Geoscience Bureau (MGB) is responsible to ensure and monitor strict and proper compliance by the local government units **especially the Barangay Governments/Councils** of the following barangays: Barangay San Roque, Barangay Pag-Asa, Barangay Caminawit, Barangay Central, Barangay Poblacion 4 & 5 in the Municipality of San Jose, Occidental Mindoro to **enact the Barangay Ordinance** prohibiting beach sand extraction on the basis from the Batas Pambansang Bilang 265, also known as "**An Act Prohibiting the Extraction of Gravel and Sand from Beaches**". Na kung saan ang mga nabanggit na mga barangay ay sakop sa municipal coastal areas ng Municipality of San Jose, Occidental Mindoro.

As a concerned citizen, I am worried, that if this not be resolved this untoward practices and not prevented, it will turn out to habitual practice to ignore and neglect their duty to implement the said law, that cause bad impact on our sea coast until such time that our Beach which is now being fully developed will be severely affected.

In this connection, I humbly sought your attention to deeply consider the aforementioned complaint.

Thank you in anticipation for your prompt action on this matter.
