

ADVISORY

Consultation Meeting on the Draft Cave and Wetland Policies

8-9 June 2023

Zoom Meeting

1. Participants are encouraged to join the online meeting using their **laptop or desktop**, for ease of use and navigation, as the activity shall be utilizing an online platform (Mural) during the workshop proper;
2. In the interest of time, participants are provided with pdf copies of the draft cave and wetland policies **for advance reading and thorough review** in anticipation of the workshop. Copies of the said policies are accessible through this link: <https://tinyurl.com/DraftIWCMPandCM>;
3. To facilitate smooth and extensive discussion during the workshop, below are the Guide Questions to perpend on:

Guidelines on the Establishment and Implementation of the Inland Wetland Conservation and Management Program

- Specify the existing and/or potential site level issues and concerns that were not addressed by the proposed policy.
- What is the implication of the policy implementation in the budget and manpower? Do you have any apprehensions on the proposed DAO that needs to be addressed immediately?
- Which particular section/s need further enhancement or clarification?
- What are your recommendations to improve the overall policy?

Guideline on the Management of Caves

- Did the policy miss other existing guidelines that needs to be included?
- Which particular section/s need further enhancement or clarification?
- What are your recommendations to improve the overall policy?
