Dear Sir/Madame,

This pertains to the report received by this office via messenger that your company will be hosting a "Disco Daydream party" with Hayag Beach Club and Groove on April 29, 2023, and according to the attached advertisement from your Facebook page, the location is identified to be in Sabang Beach, Cadlao Island, Buena Suerte, El Nido, Palawan.

We are reiterating that the said area is part of El Nido Managed Resource Protected Area (ENTMRPA) and is proclaimed under Proclamation No. 32 dated October 8, 1998 for its majestic islands and limestones and more importantly home of endemic and endangered species such marine turtles, sea cows, Palawan hornbill and other significant marine and terrestrial wildlife.

In line with this, please be informed that loud music is strictly prohibited in the islands of ENMRPA in reference with our Protected Area Management Plan (PAMP) due to its detrimental impact to marine wildlife such as stress that can interfere on their breeding cycle, natural behavior which could lead to negative effect on their population.

In this regard, we encourage you to support our efforts for the conservation of the protected area by refraining from holding similar activities with loud music and noise pollution.

We are hoping for your understanding and cooperation. Thank you.

DENR - PAO  
ENTMRPA,  
El Nido, Palawan
