To whom may concern,

Good day! I'm currently in my 4th year, taking a Bachelor of Science in Environmental Science at the Technological University of the Philippines - Manila. I would like to ask if they are available slots for a trainee or part time in your division. I am hoping for your favorable response to this query. Thank you.

With my Capabilities, I am ready to learn and understand more about environmental conservation and protection during my practicum days and I am happy to be part of your team. I am hoping for your kind response.

An attachment of my resume for your character reference.

You can reach me at 09193538782

Respectfully yours,
Geimee Harvy P. Guinto
