Good Day Ms Chato,

Please see attached file - revised offer sheet for DENR Mimaropa for your reference.
I also attached here the sample computation for your review.

I would also like to set a meeting with you to further discuss your requirements.

Would you be available on monday Nov 13, 2023 at 2pm?

You may visit Trium Square together with RED Mr Felix Mirasol Jr. or I can also visit you in your office, whichever is convenient for you.

Your prompt response is highly appreciated.

Thank you

Melissa Co
