Re: Invitation to attend the Coastal Greenbelts Policy Forum

Dear RD Mirasol,

We cordially invite you to join the Policy Dialogue on the Establishment of Coastal Greenbelt Zones, hosted by Oceana, Climate Change Commission and Wetlands International. This hybrid event is scheduled to take place on November 16, 2023, from 9:00 a.m. to 4:00 p.m.

The policy dialogue aims to engage legislators in a meaningful dialogue for the establishment of coastal greenbelts in the country as well as provide a platform where experts and key stakeholders can articulate and share their insights about the importance and urgency of establishing coastal greenbelts and their role in ecological conservation, climate change mitigation, fisheries production, and carbon sequestration. We hope that this event will create a platform for dialogue between experts, local governments, national agencies, and legislators on emerging trends, research findings, policy updates and best practices in coastal greenbelt establishment and management that can inform legislative work.
