GUIDE CLARIFYING AND SUPPLEMENTING INSTRUCTION ON THE ISSUANCE OF ORDER OF COMPROMISE AGREEMENT OR ORDER OF AMICABLE SETTLEMENT FOR CASES THAT REACHED A COMPROMISE AGREEMENT/AMICABLE SETTLEMENT

This Guide clarifies and supplements the instructions patterned after the Memorandum dated 04 November 2022 of the ADR Committee “Clarifying and Supplementing Instruction on the Issuance of Order of Compromise Agreement or Order of Amicable Settlement for Cases that Reached a Compromise Agreement/ Amicable Settlement.”

The Alternative Dispute Resolution Monitoring and Results System (ADR-MRS) is able to accommodate the creation of user accounts for the PENR Officers (PENROs) and the Regional Executive Directors (RED). The PENROs or the RED, with their involvement in the ADR process in the DENR and for proper documentation, takes action on a document transmitted to them through the ADR-MRS, by following the recommended steps specified in the ADR-MRS User Manual. More particularly, they upload the Order of Compromise Agreement or Order of Amicable Settlement. This action of the PENRO or RED, as the case may apply, finally disposes of the case pending before the Department.

In cases where the PENRO or the RED does not have an ADR-MRS account, the ADRO assigned in either the PENR Office or the Regional Office, as the case may be, may upload the signed Decision/Order Based on Compromise Agreement or Amicable Settlement and indicate in the applicable description in the actions taken menu, that an Order of Compromise Agreement (OCA) or Order of Settlement Agreement (OSA) was issued. *(Please see Excerpt of User Manual on the Guide for Acting on/Approval of Compromise/Settlement Agreements at Scenario A).*

In cases where the PENR Office or Regional Office has no ADR-MRS account and has no ADR Officer, they may authorize personnel or an officer to create and access an ADR-MRS user account on behalf of the PENRO or RED and upload the signed Decision/Order Based on Compromise Agreement or Amicable Settlement and indicate in the applicable description in the actions taken menu, that an Order of Compromise Agreement (OCA) or Order of Settlement Agreement (OSA) was issued. The ADR Committee and/or its Secretariat shall be informed about the creation of those accounts, with the corresponding authorization document, evidencing the extent of the authority given to such personnel or officer, to do and perform each and every act which may be necessary for uploading, attaching and proper recording of the OCA or OSA in the System based on the User Manual. This is to ensure proper documentation of such authorization, determine liability if the need arises, and to ensure the confidentiality of the data in the MRS. *(Please see Scenario B for cases where the PENR Office or Regional Office has no ADR-MRS account and has no ADR Officer).*

In cases where the PENR Office or Regional Office has no ADR-MRS account, has no ADR Officer, and cannot designate authorized personnel or officer to create and access an ADR-MRS user account on behalf of the PENRO or RED, the guidelines for the referral of the subject cases to the appropriate ADRO, pursuant to DENR Memorandum Circular No. 2021-01 or “*the Guidelines in the Creation of Pool of Alternative Dispute Resolution Officers (PADROs) and the Referral of Land Claims and Conflicts Cases Thereto*” may be used suppletorily, in that the PENR Office or Regional Office which has no ADRO, may ask an ADRO from another PENR Office or Regional Office, as the case

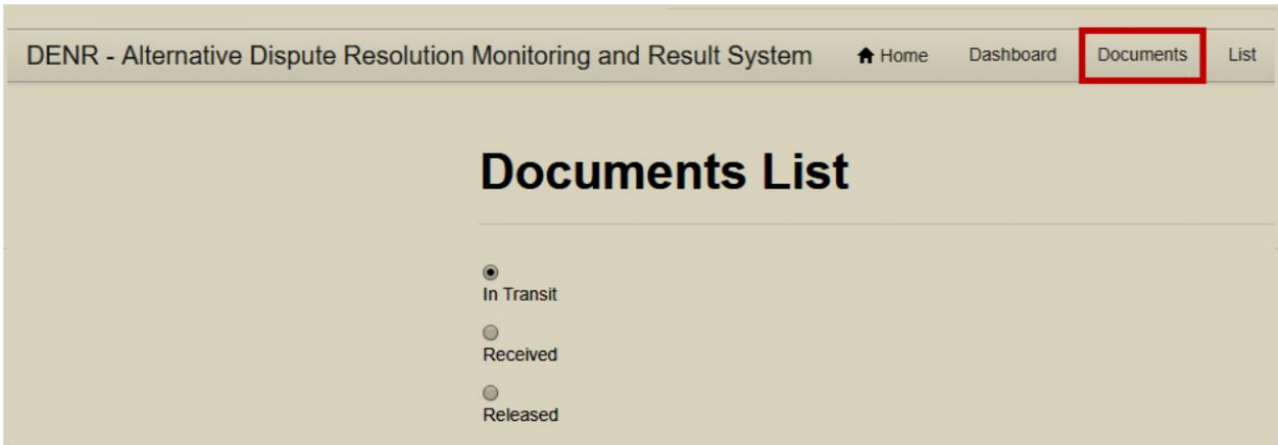

may apply, to upload the signed Decision/Order Based on Compromise Agreement or Amicable Settlement, and indicate in the applicable description in the actions taken menu, that an Order of Compromise Agreement (OCA) or Order of Settlement Agreement (OSA) was issued. (*Please see Scenario C for cases where the PENR Office or Regional Office has no ADR-MRS account, has no ADR Officer, and cannot designate authorized personnel or officer to create and access an ADR-MRS user account on behalf of the PENRO or RED*).
