Dear RED Mirasol,

The Philippine Navy intends to enhance its facilities in the Kalayaan Island Group (KIG) to strengthen the military presence and the country's sovereignty in the area. The development of these bases would not only be efficient for military use but would adhere with the socio-economic, bio-physical environment, infrastructure, governance, safety, and security parameters of the KIG.

In this regard, we intend to request a schedule for a face-to-face meeting with you together with EMB Region 4B Director on **November 22, 2023 (Wednesday), 9:00 AM** at your office to discuss the environmental permits required for the above-mentioned project.

Your favorable response to this request will be a great help to our Navy. Should there be any questions and concerns regarding the said request, please coordinate with LCDR RUFINO B KHO JR PN from the Office of Directorate, Real Estate Management with mobile number, +639178399292 or email address [dremnic2020@gmail.com](mailto:dremnic2020@gmail.com).

FOR THE COMMANDER, NIC:

Very truly yours,
